

Riverton Review

Sept. 8th

September 2019

From Management and the Garden Club

We are trying to beautify our home around Riverton Tower Senior Center with attractive gardens. These gardens are for flowers and plants...not for unsightly litter or filthy cigarette butts. There are plenty of trash cans and receptors around the building. Please use them.

Have Questions about Insurance & Medicare?

Remember Ruth Bannon from last year? She was so very helpful with many of you having insurance questions. Ruth will be back for two days in September in our Lobby. She can get you answers for many Medicare questions and also Final Expense questions. Visit her with any questions you may have on Thursday, September 12th and Saturday, September 21st, both days from 11:00am to 2:00pm.

Knit Cro Pro Club News

Thanks to Mrs. Angie Carter for obtaining a bag of yarn which was donated to the club. It was quickly used. The club welcomed Ms. Yolanda Allen last month whose specialty is embroidery.

At the end of July, the club has donated two baby blankets to Wolfson Children's Hospital. Twenty-six hats were donated to Mayo. Seven more are ready to be delivered. Three shawls, one lap blanket and 18 scarves were donated to St. Paul United Methodist Church. Two baby blankets were donated to St. Joseph's Home for Unwed Mothers and Mrs. Hardy donated another beautiful blue scarf which will be given to St. Paul's in November.

Mrs. Linda Carter showed the ladies the lilac and white sundress she made for her granddaughter also known as "the twirley dress". Mrs. Malvina White and some of her friends designed an embroidery piece she showed the club. It was for Wolfson's. It was very detailed and showed a building with the name of the hospital over the front door. A photo of it appeared on the front cover of Antiques Roadshow magazine in 2003. Members are working on donations for St. Paul United Methodist Church in November. Remember the club meets on Tuesdays at 2:00pm in the Poolside Café and you are invited to visit and/or join in the fun!

Photo of the Month is a Tiger Swallowtail Butterfly on a blooming thistle.

I took this picture in September, 2010 while hiking to a beautiful triple set of waterfalls in San Diego County, California, the Three Sisters Waterfalls. I will submit a photo of the upper of the three falls for the next Photo of the Month. – Emil Kotik

Jim Fortuna Senior Center

by Carol Baw

I want to give a Shout Out to Mary Heaney as she was the first resident to take advantage of all my bragging about the Senior Center I frequent. I go to Jim Fortuna Senior Center in the Ed Austin Regional Park on McCormick Road before Monument. For several months Mary told me she was going to come and check out my Wii Bowling group. We play every Tuesday starting before 10am. So three weeks ago she came and liked it so much that Mary keeps coming back. She also got a Senior Services Card which is good for all 19 Senior Centers in Jacksonville. All of my bowlers welcomed her to the group and they look forward to seeing her each week. So when you get bored staying home and want to get out and meet new people and have some fun, come check out Jim Fortuna Senior Center. Or ask Mary or me.

Mobile Mechanic is Available

by Linda Carter

John Price is a friend and a very good mechanic. He is mobile and that's a good thing. John retired from mainstream work after having a mini-stroke, but he still does great work on automobiles on his own. Other Riverton Tower residents have used him and were satisfied with his work. John is certified and is much cheaper since he has no overhead. He is honest and trustworthy. Need a good mechanic? Call John Price: 904-994-1837

BINGO

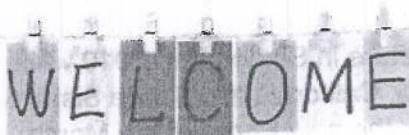

Are you ready for some Bingo? This time it's for real. Please join Lisa Green in the Poolside Café on Monday, September 9 at 3:00pm. Be ready to win some prizes.

Chair Exercise Class

With Fall coming, our Water Aerobic participants want to keep up their exercises, but know the pool will be getting too chilly. They want to transition to a chair exercise class. Interested? Monika is having a meeting on Sunday, September 1st, in her apartment 8-M at 2:00pm to discuss best times etc. Please join her by bringing your own drink and snacks to be shared and discuss.

Welcome New Residents
